

A wide-angle, front-facing photograph of a white commercial airplane, likely an Airbus A320, parked in a large, modern hangar. The aircraft is centered in the frame, with its nose pointing towards the viewer. The hangar has a high ceiling with numerous recessed square lights and several red overhead lighting fixtures. The floor is a light-colored, polished concrete. The walls are a light beige color with some blue piping and doors visible. The word "AVIATION" is overlaid in large, white, bold, sans-serif capital letters across the center of the image, partially obscuring the aircraft's fuselage.

AVIATION
